Due to shipping regulations, we can only ship within in British Columbia, Alberta, Saskatchewan, Manitoba, Nova Scotia, and Prince Edward Island. Additional shipping fees may be applicable for out of province members.

We are unable to take payment in advance for the club, as prices and wines vary between shipments. Shipments are automatic. Please ensure your contact and shipping information is current. Any redirection of a club shipment will result in additional charges for you.

Due to stock availability, substitutions are not available.

Please ensure your payment information is correct. For any reason, if payment is not received within 30 days of designated payment date, your package will be dissolved and your membership put on hold until contact is made.

Title to all wines sold by Northern Lights Estate Winery passes to the buyer at the winery in British Columbia, at the time of sale. As all sales occur in British Columbia, BC sales taxes will be applied. Any other taxes are the responsibility of the purchaser. Purchaser agrees that any wine purchased is intended for personal consumption and not for resale.

All wine orders must be placed by a person 19 years of age or older. Verification of age may be required at the time of delivery. Failure to produce age verification when requested forfeits the right to receive the shipment until identification is produced. In such circumstances, the order may be held by the shipping company until identification is produced, or it may be shipped back to the winery. Wine will not be delivered to an intoxicated person. All associated costs (such as product, shipping, taxes, insurance, heating fees where applicable) will be the responsibility of and be charged to the customer. We recommend the use of a business address to facilitate delivery of your purchase. Deliveries will not be left unattended.

In the unfortunate event that you need to cancel your membership, notify us a minimum of 30 days prior to a club shipment.
